Charleston Chemical Spill Congressional Briefing Paper FINAL.docx

Linda,

Attached is HSCD's briefing paper on EPA's role in the Charleston Chemical Spill.

Please let me know if you have any questions.

Thanks,

Ken

Subject: URGENT REQUEST BUDGET PAPERS

Good afternoon, I have an urgent request. We have been asked to get hot issue papers for Congressional Budget hearings for House Energy, Senate Approps, House Approps and Senate Envi and Public works committees to HQ by Wednesday morning. Therefore we need to have papers for Shawn's review on Tuesday afternoon. **So we need to ask Divisions to**

update or produce hot issue papers by Tuesday at 2pm. Liaisons have a scheduled meeting to do final review at 2PM but please feel free to reach out to liaisons as they are drafted.
